

Open Day

Sunday July 5th 10am-4pm

Come and enjoy the thriving Community Woodland and the newly planted Community Coppice and visit the roundhouse woodland shelter.

The open day will also be the launch of Pentiddy Natural Burials. Come and find out more and be the first to book a plot.

There will be guided tours of the site at 11am and 2pm. These will include the Waters family permaculture smallholding with examples of alternative technology, woodland management, organic food production, unusual edible perennials and green wood-working.

There will be a nature trail in the woods for children but they must be accompanied by an adult.

Members of Pentiddy Community Woodland will provide drinks and a lunchtime local produce BBQ cooked on Pentiddy charcoal. Profits will go to Pentiddy Community Woodland.

Directions: From Liskeard take B3254 towards Launceston. Before Pensilva, just as you come onto the moors, take a right turn. Pentiddy is ¼ mile on the right. Limited parking so please walk, cycle or lift-share if possible.
