

Community initiatives encouraging a low carbon future

Seed Swap

- **Save money by growing from seed**
- **Come and get some unusual seed varieties**
- **Bring your own to swap or get seeds for a small donation**
- **Short talks about seed saving & sowing demo**

We are compiling a map of which fruits and nuts are growing in and around Liskeard, come and add any trees you know about.

We are looking for public sites to plant fruit & nut trees. Please get in touch if you have a public site for a free tree.

Friday 12th March 19.15 for 19:30 start at Liskerrett Community Centre

All welcome

Entry: Donation to cover rent & refreshments and materials
