Community Activists in Action

This NOCN Level One course will cover:

- What is 'Active Citizenship'?
- Exploring ideas for your community
- How to affect decision making
- Community research and consultation
- Virtual planning of activities and events

This two day course is **FREE** to anyone aged 19 or over and will also include a **fully-funded** visit to London in March 2011, where you will explore some community projects in action, including a visit to the City Farm, Peoples Supermarket and the Bromley By Bow Centre.

Funding may then be available to course completers to develop an activity or event in their own community.

Course Dates:

London Visit:

Wednesday 23rd March to Friday 25th March 2011
